**August 15, 2023 (Los Angeles, CA)** — MCVERTT took over the East Coast scene with his seamless, high-octane blend of Jersey club and drill music. Today, the Platinum-selling artist and producer shares the video for "FACE DOWN" ft. A\$AP Ferg and Sexyy Red. A chaotic dancefloor siren, "FACE DOWN" is purpose-built for inciting hip-shaking pandemonium, complete with quotable verses from Ferg and Big Sexyy. The video keeps that same energy, depositing the three hitmakers into a Bronx dancehall, as they invite the borough's finest dancers to get down to the insistent instrumental. "FACE DOWN" is the opening banger from *Defiant Presents: Jiggy In Jersey* (ft. MCVERTT). Watch it [HERE](#)

In addition, MCVERTT's *Defiant Presents: Jiggy In Jersey* compatriots Bandmanrill and Sha EK shared the video for "Movin Tac." A titanic anthem that combines the sliding 808s of

drill music with the insistent beat pattern of Jersey club, "Movin Tac" finds the Newark native and Bronx emcee trading boisterous bars, each making clear that they are ready to take over the Tri-State scene. Watch it [HERE](#)

**Bandmanrill**, **Sha Ek**, and **MCVERTT** fill dancefloors on both sides of the Hudson with their fiery mix of drill music and Jersey club. Combining their efforts to create a supersized collaboration chock full of East Coast bangers, the Tri-State trio share **Defiant Presents: Jiggy In Jersey (ft. MCVERTT)**, executive-produced by MCVERTT, a 28-track project that defines the developing hybrid genre.

**ABOUT DEFIANT PRESENTS:**

Steve "Steve-O" Carless, the visionary executive, manager, and A&R mind, had his great epiphany for his new imprint, Defiant Presents, at Paris Fashion Week. "I went with Polo G five nights a week," he recalls, mentioning the Chicago-bred superstar he then co-managed. In the United

States, Carless continues, DJs make sure these A-listers hear their own records. Not during this trip. “Instead, in every club, every night they’re playing drill,” he says. It rewired Carless’ approach. In short order, Carless would assemble Bandmanrill—the Newark native who has become a phenomenon for rapping over the sorts of Jersey club music the Elizabeth-born Carless grew up partying to—and his go-to producer, Mcvertt, alongside Sha EK and Kenzo B, drill stars from across the Hudson River. Together this lineup constitutes not only some of the most unmissable young talent in rap today but a distinct vision of the future. Carless got his start at Star Trak Entertainment and later worked for Corporate Thugz, each time seeing how auteur visions at the top trickled down through scenes. Through senior roles at Def Jam, Atlantic, Republic, Uptown Records, and now Warner, Carless has worked with iconic talents Pusha-T, Big Sean, and 2 Chainz, among innumerable others. Now Defiant, he vows, will be “filled with individuals who are always challenging the status quo, always going to be in an innovation phase of their career.” For now, it seems all things are moving in Defiant’s direction.
