

PAUL WELLER CELEBRATES HIS 60TH BIRTHDAY WITH THE RELEASE OF A BRAND NEW SONG, “ASPECTS” ON PARLOPHONE / WARNER BROS. RECORDS

[\(image link\)](#)

May 25, 2018 – (Los Angeles, CA) Today, [Paul Weller](#) celebrates his 60th birthday and to mark this momentous occasion, he has a special treat in store for his fans with the release of a brand new recording titled “**Aspects**.” This marks the first new music release from Weller since 2017’s internationally acclaimed album *A Kind Revolution*.

“**Aspects**” is available as a free download from www.paulweller.com and will also be available to stream or download from all participating digital retailers. Click [here](#) to for “**Aspects**”

The string-laden, largely acoustic and Nick Drake-esque “**Aspects**” is a taster for Weller’s eagerly anticipated 14th solo studio album *True Meanings* which will be released later this year and from the sound of this track alone, promises to be a truly special release.

Weller said of “**Aspects**,” “I don’t know if it’s indicative of the album, but it’s certainly the cornerstone to the record for me. It’s also where I got the title of the album from...”

Weller and his band have a handful of live U.K. appearances lined up for the summer and Weller will also be making an appearance as a special guest at the [Quincy Jones spectacular](#) at London’s O2 Arena on June 27th.

More details on *True Meanings* will be revealed shortly.

U.K. dates

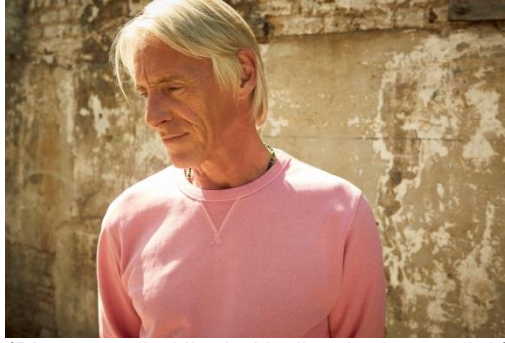

Aug 24 Birmingham	Genting Arena (re-scheduled from March 2)
Aug 25 Portsmouth	Victorious Festival
Sep 01 Bristol	The Downs Festival
