NEW ALBUM COMING SOON

July 12, 2019 (Los Angeles, CA) – Today, **Wale** unveils a brand-new single entitled “**On Chill** [feat. **Jeremih**].” Get it [HERE](#) via **Warner Records**.

The GRAMMY® Award-nominated multi-platinum Washington, D.C. rapper/poet/agitator and iconoclast serves up his signature slick wordplay over a sultry minimal beat. Produced by **LT Mo** and **Va**, **Wale** winds up vivid verses for a lover, promising to “*modify your energy*” before declaring, “*If we good, that’s good enough.*” Meanwhile, **Jeremih** carries a soulful and sharp refrain that’s hypnotic and hummable. This marks a reunion for the two stars who turned up together on 2014’s gold-certified “The Body.” Once again, they deliver a banger that borders hip-hop and R&B and elevates to new territory at the same time.

The single arrives on the heels of the critically-acclaimed track "**Gemini (2 Sides)**." [HYPEBEAST](#) highlighted the song's "emphasis on **Wale's** rich lyricism," while [UPROXX](#) claimed, "Given some of his biggest singles have been the ones praising women (see: '**Bad**' and '**Lotus Flower Bomb**'), it's only right that he starts off the next phase of his career on his best foot."

Fresh off the heels of an unforgettable Afrobeat mash-up at Essence Music Festival with Estelle, **Wale** is hard at work on his sixth full-length album, slated for release this fall.

ABOUT WALE:

There's only one **Wale**. Since arriving in 2006, he has consistently gone against the grain. An old school lyricist with new school energy, otherworldly hooks and a sense of irony tailor-made for its own *Seinfeld* episode, he instantly set himself apart. 2008's inventive **Mixtape About Nothing** cemented him as a critical favorite and preceded the major label debut **Attention Deficit** in 2009. Bowing at #2 on the *Billboard* Top 200, the now-classic and gold-certified **Ambition** yielded the GRAMMY® Award-nominated platinum-selling "**Lotus Flower Bomb**." Two more blockbusters followed as **The Gifted** [2013] and **The Album About Nothing** [2015] both crashed the *Billboard* Top 200 at #1 back-to-back. **Shine** [2017] gave the world "**My PYT**" as **Wale** continued dropping heat. Along the way, **Wale** covered magazines such as *Complex*, *Billboard*, *XXL* and *Vibe*, and would receive honors at the BET Awards, BET Hip-Hop Awards, Soul Train Awards and more. To date, **Wale** has achieved four platinum or multi-platinum singles, three gold singles and two gold albums. **Wale** has over 6 million monthly listeners on Spotify and has reached over half a billion channel views on YouTube.

Wale also made history as "**the first rapper to open the State Of The Union**," gracing the stage with an unforgettable performance before President Obama's final State Of The Union Address. A regular guest of the First Family, he participated in First Lady Michelle Obama's "Reach Higher" initiative for higher education as well. Expanding his cultural influence, **Wale** teamed up with *Villa* for a limited-edition line of sneakers. These included the Asics "Bottle Rocket," the Timberland "Gift Box Set" and the *VILLA* x **Wale** x ASICS Gel Lyte III "IC Champion." **Wale's** label imprint, **Every Blue Moon**, encompasses the scope of his creative vision with musicians, comedians and screenwriters under its umbrella.
