Within two years since his first independent release, his cumulative streams have surpassed 1.9 billion with earworms like “Say To You,” “It’s You” and “Moonlight,” establishing Ali Gatie as one of the most compelling new artists straddling the pop and R&B space this year. In 2019, he released his debut EP *YOU* and achieved RIAA platinum status for his breakout smash “It’s You,” which spent 13 weeks on *Billboard*’s Hot 100 chart, and sold out his first six shows in less than 10 minutes.
