**November 6, 2020 (Los Angeles, CA)** – After being responsible for some of the biggest U.K. rap singles of 2020, including "[Only If You Knew](#)," "[Surely](#)," "[Bando Diaries](#)," "[Bando Diaries Remix](#)," "[Cool With Me](#)" feat. M1llionz and "[I Dunno](#)" with Stormzy and Tion Wayne, **Dutchavelli** has finally gifted fans with the release of his highly anticipated mixtape *Dutch From The 5th*, out now via **Parlophone Records**. Listen [HERE](#). The U.K. rapper gives fans an extra treat with a *Peaky Blinders*-inspired visual for the mixtape track "Zero Zero." Watch [HERE](#). On his new project, **Dutchavelli** joins forces with highly esteemed names in the industry, such as rapper and songstress **Ray BLK** and Birmingham star **M1llionz**, to bring us a 16-track project filled with high octane, gritty lyrical finesse that you can only find from a rapper of **Dutch's** caliber. Full tracklisting below.

*"I've left no stone unturned and worked as hard as I possibly can to make sure I can deliver within the expectations I've set for myself," Dutchavelli said. "I'm from E5, Clapton, and this is my introduction to the game. I'm 'Dutch From The 5th.' That's the title of my book opening."*

**Dutch** continues to break the glass ceiling of what it means to be a new rapper on the scene, with every release proving just why his new mixtape is set to break new boundaries. Speaking on "**Cool With Me**," **Dutch** explains, *"It's self-explanatory. It's talking about the streets. The reason I got M1llionz on there is because I'm a fan of what he does. I like to work on the love of the music. If I'm not in love with the music, I won't do it – that's when it becomes work. When me and M1llionz do music, it's not work."* Meanwhile on the Ray Blk-assisted "**Skr on Em**," **Dutch** admires how Ray is able to switch things up musically, adding a completely different flavor.

Not one to be defined, **Dutch** wants the tape to serve as a taster of what's to be expected from him. *"I wanted to let them know that I'm not going to go too far down the road of just doing drill. It's my first project. People are getting to know me. The tape is to get the listeners excited and see what's coming next."*

#### **ABOUT DUTCHAVELLI**

Make no mistake – Dutchavelli is doing it for greatness. The East London rapper set a goal four years ago to be the best. A rapper’s rapper with true global appeal, a handsome side road hustler gone national, a man with a firm presence and a clear vision – Dutch has it all. And – in “Only If You Knew” and “Surely” – he already has two of the year’s biggest singles under his belt. Born in Birmingham, but raised in Rotterdam, Dutch spent his childhood between the Netherlands and the U.K. When he moved to East London at age 12, he had a generation’s worth of music to catch up on. Dutch released his debut video, “New Jack City,” in 2017 then served time for a March 2018 robbery and firearm charge. His first track since his release, “Only If You Knew,” charts the story of the past few years. The next track, “Surely,” doubled-down on the bars. Both tracks racked up millions of plays in a matter of weeks. With the U.K. hanging on for his next release, Dutch’s ambitions now reach far and wide. He’s a true business mogul too as he wants his label, 2Up2Down, to become a hot spot for young acts. Dutch is perhaps the most versatile, multi-faceted rap act to come from the U.K. in years. There’s been no slip-up, no selling out and no watering down of his experience for commercial woo-ing either.
