**October 9, 2020 (Los Angeles, CA)** – Emerging U.K. rapper **Dutchavelli** has unveiled a new single and video titled "**Cool With Me**" featuring **M1llionz**. Watch it [HERE](#). The visual, directed by Nathan James Tetley (Stormzy's "Own It," Dave's "Black"), gives us an alternative view into the road life. The video is intense, cinematic and raw, and with a detailed focus on expression, we see **Dutch** and Birmingham star M1llionz effortlessly trade bars with stacks of cash in tow.

"Cool With Me" follows the success of **Dutchavelli**'s recently acclaimed single "[Bando Diaries](#)" and the surprise "[Bando Diaries Remix](#)" featuring Onefour, Kekra, Noizy and DIVINE. Both visuals have already racked up over 8 million views combined, with the original "Bando Diaries" hitting #1 trending on YouTube within the first month. The "Bando Diaries Remix" reached over 1 million views in the first 24 hours.

Additionally, **Dutchavelli's** "[I Dunno](#)" with Tion Wayne and Stormzy has been streamed over 43 million times and "[Burning](#)" with M Huncho has garnered 16 million streams. With four U.K. Top 100 singles in four months, a *Noisey* digital [cover story](#) and a starring role in Adidas' new Manchester United jersey release, **Dutchavelli** is easily becoming one of the hottest rappers emerging from the U.K.

#### **ABOUT DUTCHAVELLI**

Make no mistake – Dutchavelli is doing it for greatness. The East London rapper set a goal four years ago to be the best. A rapper's rapper with true global appeal, a handsome side road hustler gone national, a man with a firm presence and a clear vision – Dutch has it all. And – in “Only If You Knew” and “Surely” – he already has two of the year's biggest singles under his belt. Born in Birmingham, but raised in Rotterdam, Dutch spent his childhood between the Netherlands and the U.K. When he moved to East London at age 12, he had a generation's worth of music to catch up on. Dutch released his debut video, “New Jack City,” in 2017 then served time for a March 2018 robbery and firearm charge. His first track since his release, “Only If You Knew,” charts the story of the past few years. The next track, “Surely,” doubled-down on the bars. Both tracks racked up millions of plays in a matter of weeks. With the U.K. hanging on for his next release, Dutch's ambitions now reach far and wide. He's a true business mogul too as he wants his label, 2Up2Down, to become a hot spot for young acts. Dutch is perhaps the most versatile, multi-

faceted rap act to come from the U.K. in years. There's been no slip-up, no selling out and no watering down of his experience for commercial woo-ing either.
