February 4, 2020 (Los Angeles, CA) – Toronto's newest pop and R&B sensation Ali Gatie has announced that he will be embarking on a world tour in support of his debut EP [YOU](#). The tour kicks off February 28th in Dubai and includes multiple dates in his home country of Canada as well

as a prominent slot at Coachella on Sunday, April 12th & 19th.

The news follows the release of Ali's recent track "[What If I Told You That I Love You](#)," which prompted *Rolling Stone* to exclaim, "*Gatie seems to have set up the makings of a smash.*" "What If" has been streamed over 35 million times since its release on January 24th and debuted at #1 in Spotify's "Pop Rising" playlist and #2 at Apple Music's "Today's Hits" playlist. The tour announcement comes during a string of sold-out U.S. dates. Ali hits The Roxy Theatre in Los Angeles on February 12th and is sure to be met by capacity crowds of screaming fans.

It's no question Ali Gatie is one of the fastest rising artists to arrive in the past year with over 1.7 billion cumulative streams under his belt, an RIAA-certified platinum single with "[It's You](#)" and standout "[Say To You](#)," which has nabbed more than 40 million streams to-date. ABOUT ALI GATIE:

Raised in Mississauga, Canada just outside of Toronto and of Iraqi descent, 22-year-old Ali Gatie has ascended as a singular voice in the culture. Within two years since his first independent

release, his cumulative streams have surpassed 1.7 billion with earworms like “Say To You,” “It’s You” and “Moonlight,” establishing Ali Gatie as one of the most compelling new artists straddling the pop and R&B space this year. In 2019, he released his debut EP *YOU* and achieved RIAA platinum status for his breakout smash “It’s You,” which spent 13 weeks on *Billboard’s* Hot 100 chart, and sold out his first six shows in less than 10 minutes. Cultivating a massive international following and global media attention, Ali Gatie has been covered by the likes of *Complex*, *HYPEBEAST*, *Billboard*, *Forbes*, *Genius*, *NYLON* and more. Ali Gatie goes deep on the big subjects that have always consumed great artists. Vulnerability, love and devotion are concepts that he confronts head-on. The openness in his music is palpable and his fans, affectionately dubbed the LISN’ers, continue to multiply and hang on to the edge of every word.
