“perfectly suited and relatable to a new generation of music fans who use the internet to connect and look to music for a crucial outlet”—PIGEONS & PLANES

March 13, 2020 (Los Angeles, CA) – New Jersey alternative singer, songwriter, producer and creative **Sub Urban** has released his anticipated EP *Thrill Seeker* via Warner Records. Sub Urban also debuts his new single “Freak” feat. REI AMI with a blockbuster video. Completely self-produced, *Thrill Seeker* dives into an imaginative world drawing on elements of fantasy through the lens of a 19-year-old visionary artist. Sprawling with subversive lyrics, pop sensibility, allegory, dark humor and haunting melodies, *Thrill Seeker* is a captivating musical excursion over the course

of 7 tracks.

Elaborating further on the project, Sub Urban divulges, *“Thrill Seeker’ tells a story of adolescent imperfection from the perfectionist. I wrote and produced the collection of songs from the ages of 16 to 18. Every song takes me to a different headspace cultivated by my youth: turmoil and sheer angst contrasted by theatrical self-awareness and worldly dissociation.*

The entry point for many into the dark fantasy of Danny Maisonneuve, aka Sub Urban, is his seminal smash [“Cradles.”](#) which is currently closing in on [half-a-billion](#) total streams. Additionally, “Cradles” is one of the most TikTok’ed songs of all-time with over 1 billion uses on the platform and currently sits at number 3 at Alternative Radio. The avant-garde music video for “Cradles,” which he wrote the treatment for and directed, introduced the world to his vision and today, he unveils his second visual ever in “Freak” featuring REI AMI. The new visual offers up an undeniable invitation into his dark vaudevillian fantasy as the chorus rings *“Welcome to our freak show, come meet my monsters.”* The visual brings the lyrics of both artists to life with an assortment of oddities moving in sync with Sub Urban’s theatrical production.

Next up, he supports Yungblud on tour starting June 3rd in Minneapolis, MN, hitting major markets and festivals across the country into the summer. Sub Urban is also slated to support Melanie Martinez on tour – the original dates have been postponed until further notice. Check out the full itinerary below.
