"perfectly suited and relatable to a new generation of music fans who use the internet to connect and look to music for a crucial outlet" – **PIGEONS & PLANES**

March 6, 2020 (Los Angeles, CA) – On the heels of nearly *half-a-billion* streams and acclaim from *Pigeons & Planes*, *Alternative Press*, *Billboard* and more, Sub Urban announces his debut EP, ***Thrill Seeker***, is arriving on **March 13th.**

Pre-save *Thrill Seeker* HERE via Warner Records.

On his self-produced debut EP *Thrill Seeker,* the 19-year-old singer, songwriter, producer, creative, and ringmaster Sub Urban reigns above a world of his own design. He opened the gates to this realm by way of his breakthrough smash "Cradles," which currently sits at number 3 at Alternative Radio. Additionally, "Cradles" is closing in on *half-a-billion* total streams and is one of the most TikTok'ed songs of all-time with over 1 billion uses on the platform. The seven-track EP threads together imaginative, cinematic imagery through subversive pop and alternative sensibilities. *Alternative Press* asserted *"His hybrid of minimalist grooves and youthful, psychic eccentricity will be the thing everybody will attempt to steal this year."*

About the project, Sub Urban shared, *"Thrill Seeker tells a story of adolescent imperfection from the perfectionist. I wrote and produced the collection of songs from the ages of 16 to 18. Every song takes me to a different headspace cultivated by my youth: turmoil and sheer angst contrasted by theatrical self-awareness and worldly dissociation. I hope you enjoy my first ever project I've kept to myself for so long."*

Next up, he supports Melanie Martinez on tour kicking off March 17th at the House of Blues in Anaheim, CA continuing through to April. He will pick back up as support for Yungblud less than a month later on June 3rd in Minneapolis, MN hitting major markets and festivals across the country into the summer. Check out the full itinerary below. Stay tuned for *Thrill Seeker* and don't miss Sub Urban performing his new EP live on tour this spring and summer.
