#### **ABOUT Warren Zeiders:**

**Warren Zeiders'** distinctive, high energy country music is powered by a steady supply of youthful grit, honesty, and muscle. Hailing from Hershey, Pennsylvania, the 22-year-old singer/songwriter delivers outlaw sermons in a gravelly, world-weary voice that bely his young age. His music is suited more to the vast wilderness of his home state than the bright lights of Nashville, injecting a healthy dose of Heartland

ethos into the honky tonks of Music City. But it's that space he lives in—between lonesome outsider and magnetic performer—that helps him relate to listeners from all walks of life through songs fueled by unshakeable soul-searching. His original solo acoustic version of [“Ride The Lightning”](#) became an instant hit with fans and racked up over **900 million** global views on TikTok alone and been **certified Gold** sales status in the US in late January 2022. He has amassed over 381 million streams globally. The track has impacted the **Billboard Hot Country Songs charts** as his audience continues to grow by the million's week by week. **Warren Zeiders'** has just completed his first live tour – all 14 dates sold out within 72 hours, prompting the newly minted headliner to add more dates to his **717 Tapes Tour** featuring a full band this summer. **Zeiders'** latest fan favorite single/video, **“Wild Horse,”** beautifully illustrates his vision of chasing –and realizing-- his dreams in real time. **717 Tapes EP Vol. 2**, is available now with a view to release his debut album in the months ahead.
