WHAT IT IS: Atlanta-born Baby Tate, formerly known as Yung Baby Tate, quickly established herself as a hip-hop artist to watch thanks to her 2019 debut album, *GIRLS*. Not long afterward, she appeared on the **Grammy**-nominated **Dreamville** compilation *Revenge of the Dreamers III* and made a cameo appearance in **Ashnikko**'s "STUPID." By late 2020, Baby Tate dropped her *After the Rain* EP, which featured fellow Atlantan **6LACK** on "Let it Rain" and Alabama rapper **Flo Milli** on the viral hit "I Am." In addition to landing her single "Dungarees" on **Halle Berry**'s *Bruised* soundtrack, Baby Tate was recently featured on **JID**'s "Surround Sound" with **21 Savage**.
