September 9, 2022 (Los Angeles, CA)– Singer, performer and producer **Jackson Wang’s** sophomore album **MAGIC MAN**s out today, September 9th via TEAM WANG records/88rising Records/Ryce Music Group/Warner Records. The album features 10 tracks including the newly released “**Blue**” and previously released “**Blow**” and “**Cruel**,” both of which were described as having “*a dark and plodding swagger*” by *People*.

Inspired by 70s rock, **MAGIC MAN**s an energetic and gritty exploration of toxic love and self-discovery. The **MAGIC MAN** persona is truly a new horizon for Jackson, allowing him to showcase a side of him his fans have never seen. Produced by Jackson Wang, Daryl K, and Henry Cheung, **MAGIC MAN** finds Jackson at his most vulnerable – operating under the laws of mystery, temptation, and confusion.
