February 9, 2023 (Los Angeles, CA)– Nigerian producer, songwriter, and multi-instrumentalist **Pheelz** kicks off 2023 with a rousing new EP, ***Pheelz Good***. Listen [HERE](#) via **Warner Records**. The star-studded release, which features **Davido** and **BNXN**, boasts infectious Afrobeats bangers as well as songs rooted in melodic R&B — all of which showcase the rising star’s dazzling versatility and blinding future.

Pheelz Good begins with “[Ballin](#),” a sultry track with laidback beats, organ and sexy guitar arrangements. Also included is the Davido-assisted hit “[Electricity](#),” a buoyant crowd-pleaser complete with enchanting instrumentation and harmonies. Another EP highlight is “**Pablo Escobar**,” a soulful creation that casts a bold, atmospheric spell. Each entry in the sprawling release is a musical microcosm filled with polished flourishes and silky-smooth hooks.

A perfect example of **Pheelz’s** experimental approach is “**Pheelz Like Summer**,” a low-key dance floor anthem featuring a saxophone and a hypnotizing, serene rhythm. “*You know, I will never find another lover, since I got you in my life, babe it feels like paradise,*” he croons. Other tracks include “**Stand by You**,” “**Emi Laye Mi**,” “**Ewelle**” and his huge hit “[Finesse](#)” featuring BNXN.

Pheelz Good is a celebration of the newcomer’s Nigerian roots and a summation of his current musical sensibilities. **Pheelz** was recently named “Artist To Watch” in 2023 by Pandora and Amazon music. After “[Finesse](#)” established **Pheelz** as an international star on the rise in 2022, he built on the momentum with a dazzling set at Essence Fest’s Afrobeats After Dark party in New Orleans and made his US television debut with a performance on *NBC’s Late Show with Seth Meyers*. Watch it [HERE](#). **Pheelz** was also the first Afrobeats Artist to Perform at the BET Awards Pre-Show, where he earned a 2022 nomination for Best New International Act.

Now, with the release of ***Pheelz Good***, **Pheelz** charts a path forward with gusto and soaring choruses to spare, confirming his status as one of Afrobeats’ most exciting new voices.

ABOUT PHEELZ:

Pheelz writes with passion and sings from his soul. Over the past few years, the Lagos artist has made songs that blur the boundaries between Afrobeats, R&B, and mainstream pop—using intense emotion and vibrant melody as a force that bridges diverse sounds and styles. Songs like "Finesse," featuring fellow Nigerian star BNXN, have started to resonate—bringing Pheelz' boundary-pushing music and earnest, heartwarming emotion to the top of the charts in the UK and his home country. In a sense, it's a moment that Pheelz has been working toward since he was a kid. Pheelz, born Phillip Kayode Moses in 1994, grew up singing and playing keyboards in the church run by his father, who is a pastor in Lagos. He soon began producing and he landed his first hit at 16—"First of all" by Olamide, a woozy, electronic hip-hop jam. Since then, Pheelz has become one of Nigeria's most in-demand producers, working on records for stars like M.I, Mr. Eazi, and more. In 2020, he won Producer of the Year at The Headies—Nigeria's hip-hop awards—and in 2021, he released his breezy *Hear Me Out* EP, which earned millions of streams and brought his emotional pop to even more listeners around the world. Even so, the success of "Finesse" has changed everything for Pheelz, except his mission to put all of himself into his songs. He's sure that this is just the beginning of a meteoric rise now that he's inked a deal with Warner Records. "I've been plotting for years. I was ready," he says. "I *am* ready."
