**'PAST THE NAKED EYE TOUR' KICKS OFF MARCH 23RD**

**March 17, 2023 (Los Angeles, CA)** – Today, breakout R&B artist **RINI** releases the mesmerizing video for “**Your Eyes**.” [Listen HERE](#) via Warner Records. A standout track on the Australian star's seductive seven-track EP *UltraViolet*, “**Your Eyes**” is accompanied by a music video that offers a mysterious, filtered glimpse on his life — from touring to recording music. [Watch it HERE](#).

**RINI** sings on the ethereal track as the music video treats the viewer to footage of the emerging star meeting fans, walking streets, waiting at airports, and performing shows. The visual casts the singer in all manners of filters and vintage effects, which amplifies **RINI**'s artfulness and equally timeless quality of his music.

“**Your Eyes**” is destined to be a highlight of **RINI**'s live set. The breakout star's *Past The Naked Eye* North American tour kicks off on March 23 in Tempe, Arizona and then stops in most major cities including Chicago, Toronto and Seattle. Get tickets via Dice [HERE](#) and see all the tour dates below. “**Your Eyes**” arrives a few months after the release of his *UltraViolet* EP, which boasts the pop-leaning “[Pressure](#)” and scorching “[Selfish](#)” featuring BEAM.

That versatility and willingness to venture outside of his comfort zone has become a cornerstone of the singer's discography. Since arriving on the scene, **RINI** has made waves with his lush vibes. On Spotify alone, he has racked up more than 200 million streams. Now with “**Your Eyes**,” **RINI** is set to level up yet again and take his place at the forefront of modern R&B.

#### **ABOUT RINI:**

Since the inception of his musical career, RINI has been endowed with this unique responsibility to share his truth. The Melbourne-raised artist speaks directly to listeners while wearing his heart on his sleeve, relinquishing control of his emotions in a way that has a liberating effect on people. Being vulnerable is a heavy cross for RINI to bear but the end result has proven to be cathartic for his creativity, equipping the genre-defying R&B singer with something real to say: “I just want to take my time with songs,” he avows. In 2021, RINI unveiled his 12-track debut album *Constellations*, an ambient collection of sounds that explore the nuances of love, which garnered praise from media outlets like Complex, Rated R&B, and UPROXX – the latter describing his project as, “an out-of-this-world touch to RINI’s music, offering a beautiful love story that any hopeless romantic would die for even though it seems far too good to be true.” Through a sultry falsetto and soul-stirring voice that’s universally embraced, the 24-year-old songbird revealed an emotional depth in his songwriting that doesn’t feel out of place. His creative process is fluid and impassioned, turning small, mundane details into romantic neo-soul fantasies. Now, after emerging as a remarkable new talent poised to thrive in today’s R&B landscape, RINI is laser-focused on continuing to push the boundaries of modern music with his unique style, accumulating over 376M streams across platforms while averaging 2.2M monthly listeners on Spotify to date. Over the years, RINI became emboldened by the discovery that music can shape the world around him. From relocating out West to acclimating himself to the fast-paced lifestyle, this stage of his career has been about growth and self-discovery-
