April 18, 2023 (Los Angeles, CA) — Memphis rap phenomenon **NLE Choppa** unleashes the deluxe edition of his hit sophomore album *Cottonwood 2*. [Listen HERE](#) via **NLE Entertainment/Warner Records**. The original album debuted #1 on Spotify’s Top Album chart and breakout single “[Ain’t Gonna Answer](#)” ft. Lil Wayne was the #1 most added single at radio. The deluxe boasts nine new tracks, including a remix of viral smash “[Slut Me Out](#)” remix featuring St. Louis rapper **Sexyy Red**. The global anthem reached #1 on TikTok’s music chart and recently broke into the Top 10 on US Spotify.

The deluxe edition also includes collaborations with NLE Entertainment’s **Gino2x** (“**Clyde and Dodo**”), **Russ Millions** (“[Shake It](#)”), **Fridayy** (“**Will Not Lose**”), and **arrdee** (“**Envy**”). It makes sense that the rapper's bonus material is largely collaborative given the thrilling link-ups on the standard edition, such as “**Cold Game**” featuring **Rick Ross**. **Choppa** also packs a hell of a punch solo on songs like “**Mo Up Front**,” “**Champions**,” and new single “**Talk Different**.”

To keep his rabid fans full of content, **Choppa**'s releasing a string of brand new videos this week. Yesterday, he loaded up "**Shake It**" ft. **Russ Millions**, which was shot in the UK, today he's dropping "**Dope**" ft. **Fivio Foreign** (watch [HERE](#)), tomorrow he'll put out "**Lock In**," and on freaky Friday, **Sukihana** and **Choppa** reveal a kinky visual for their "**Slut Me Out**" remix

Cottonwood 2 is a celebration of growth and follows the breakout star's 2022 mixtape, **Me vs. Me**, which was a stepping stone to this moment. Combining nuanced reflections like "[The Gender Song](#)" with the electricity of tracks like "[Jumpin](#)" and "[Shotta Flow 6](#)," **Me vs. Me** saw **Choppa** take his artistry to new and exciting places. Since topping *Billboard*'s Emerging Artists chart for a record-breaking 24 weeks in 2019, cracking the *Billboard* 200 top 10 with 2020's **Top Shotta**, and earning a spot on last year's *Billboard* 21 *Under 21* list, his name has become synonymous with the elite of the rap world.

With over **5.5 billion global streams**, **13 certified RIAA plaques**, and **26 million words read** via his [NLE Reading Challenge](#), **Choppa**'s worked hard to become a pillar of his community. Recently participating in a panel and performance at [Grammy Museum's "Grammy In The Schools" Festival](#), he's leading by example, showing young people it's never too late or early to live a purposed-filled life. In January, **Choppa** organized a peaceful "Skate For Tyre" event in Memphis, gaining recognition from [Billboard](#), [Vibe](#), and [Revolt](#).

Now, with the deluxe edition of **Cottonwood 2**, **Choppa** makes it clear that there's no stopping him..

ABOUT NLE CHOPPA

NLE Choppa is relentless. With more than 5.5 billion total streams, 14 RIAA-certified plaques, 18 million combined followers, and two 2023 singles that found a comfortable home on Billboard's Hot 100 chart, the superstar 20-year-old MC from Memphis has already accomplished a lot. And yet he's constantly working to satiate the needs of his fans and prove wrong any remaining doubters. Choppa's recent work—culminating in his new album, *Cottonwood 2* is still an ante-up on every conceivable level. Choppa's emergence in the rap game is the stuff of legend, but for the uninitiated: His Platinum-certified single "Shotta Flow" became one of the biggest rap songs of 2019 without a premiere, co-sign, or major label push. Desiring creative control and ownership, he partnered with Warner Records to distribute his music and future releases on his label, No Love Entertainment. Fast forward to 2023 and the technical pyrotechnics remain, but Choppa has spent more time turning inward, reflecting on his devotion to family and spirituality, and sharing more of himself than he ever has. His songs about overcoming struggles and celebrating wins have won support from *Billboard*, *The New York Times*, *Forbes*, *GQ*, and *Complex*. Now, he just wants the rap conversation to reflect his immense talent. "When you mention the greatest artists, or when you mention the hottest artists out right now, I have to be in that conversation," he declares.
