## **10 Cool New Pop Songs to Get You Through The Week: Rita Ora, MisterWives, Claud & More**

Pop any of these new tracks into your regular rotation, or listen to all of them in our custom playlist.

Looking for some motivation to help power you through the start of another work week? We feel you, and with some stellar new pop tunes, we've got you covered.

These 10 tracks from artists including Rita Ora, MisterWives, Ralphie Choo with Mura Masa and more will get you energized to take on the week. Pop any of these gems into your personal playlists — or scroll to the end of the post for a custom playlist of all 10.

### **Ralphie Choo & Mura Masa, "MÁQUINA CULONA"**

Newcomer Ralphie Choo is making inroads with his frenzied fusions that incorporate industrial, trap and electronic beats — making the versatile artist one to watch. His latest, "MÁQUINA CULONA" — which features Mura Masa and previews his forthcoming debut album *Supernova* out Sept. 15 — even plucks inspiration from flamenco music, proving this Madrid-born artist can blend almost anything together and emerge with a tasty treat. — *L.H.*
