

Baby Tate represents for the most vibrant among us. The 27-year-old classically trained singer, songwriter, rapper, producer, engineer, and dancer has always channeled her energy into creating music that reflects the Technicolor recesses of her mind. Her discography thus far consists of concept projects like *ROYGBIV*, *BOYS*, and *GIRLS*, all of which saw her exercising full creative control, and more flexible bodies of work like 2020's *After the Rain*, which features her empowering hit "I Am." Her latest EP, *Baby Tate Presents – Sexploration: The Musical*, takes listeners on a theatrical expedition through sexual identity, relationships, and self-confidence. Baby Tate's move from her birthplace of Atlanta to Los Angeles has motivated her to experiment within more sonic landscapes than ever before. She has also been inspired to delve further into her sexual identity: after previously coming out as bisexual on social media, she now identifies as pansexual. The result of opening up her artistic and personal worlds is *Baby Tate Presents – Sexploration: The Musical*, a five-track pop&B production on which she shares her experiences in greater detail. Through everything she does, but especially in her music, Baby Tate strives to create a safe space that challenges sexual norms and embraces gender diversity. By boldly defying stereotypes, she serves as an inspiration for everyone—especially marginalized people—to express themselves authentically.
