Deluxe 2.0 begins in epic fashion with **"Message from Weezy"** [feat. **Lil Wayne**]. A lighter flickers and **Weezy** exhales and speaks, *"Homie had to say nothing to me, I knew he was real. I knew he was genuine."* Meanwhile, **Choppa** unloads on the single **"We See You."** He delivers an airtight verbal flurry over a chopped sample of **"Funkytown"** by **Lipps Inc.** Elsewhere, he locks into a lyrical crossfire with **BigXThaPlug** on **"Pistol Paccin,"** and he stomps all over the beat of **"Good Day."** The soulful closer **"Auntie Living Room"** allows him to reflect and speak from the heart. Intensity seeps out of his verses, while the vocal sample booms, *"Children are crying, people are dying."* It ends the project on a powerful, provocative, and poetic note. Check out the full tracklisting below.

Deluxe 2.0 lands on the heels of **"College Girls."** It has already amassed 4.4 million streams and counting. He pulled up on [Billboard](#) for a candid interview. Simultaneously, [Rap Radar](#) applauded how *"The Memphis rapper highlights both the hard work college girls put in and their shenanigans."*

NLE Choppa ignited the stage at the [MTV VMA Pre-Show](#). Meanwhile, his banger "[It's Getting Hot](#)" continues to put up staggering numbers as one of his biggest anthems yet. He notably reimagined the Nelly classic "**Hot In Herre**" and raised the temperature for summer. Upon arrival, it ruled TikTok as the #1 sound on the app and inspired north of 200K "*creates*" thus far. [UPROXX](#) raved, "**NLE Choppa has the summer on lock.**"

Hit single "[Ain't Gonna Answer](#)" ft. Lil Wayne reached #1 at Urban Radio, clocking over 52.7 million streams. He recently paid tribute to Wayne by performing "A Milli" at the 2023 BMI Awards.
