November 8, 2023 (Los Angeles, CA) – Today, boundary-breaking visionary and self-proclaimed “theater kid” **Baby Tate** releases a gripping (pun intended) new video for “**Grip**,” a playfully sexual track from her newly released EP, ***Baby Tate Presents — Sexploration: The Musical***. Watch [HERE](#) via **Warner Records**. It comes on the heels of striking videos for project highlights “[Luv Everybody](#),” “[Lollipop](#),” and “[Jersey](#).” In January, she takes the Broadway-inspired and sexually liberating experience across the US with her headlining ***Baby Tate Presents — Sexploration: The Tour***. Purchase tickets [HERE](#) this Friday.

For the video, the blonde bombshell dances sensually beneath the glow of pink lights as she makes her way toward a man who’s clearly enjoying the show. Sitting atop a table, she serves up a series of provocative moves that inject the scene with sexual empowerment and impulse. For the track itself, **Tate** raps flirtatious **Ying Yang Twins**-interpolating bars: “*Wait til you feel this grip, lil’ daddy.*”

Seductive, fun, and carefree, the video evokes all the dynamic style of the person who put it together. It’s another sign of **Baby Tate**’s status as a virtuosic creator in front of the mic or the

camera.

The visual for “**Grip**” was preceded by the release of videos for “[Luv Everybody](#),” “[Lollipop](#),” and “[Jersey](#),” tracks that were infused with all the energy and attitude of **Baby Tate** herself. Those tracks were preceded by **Baby Tate**’s hit reimagining of “[Hey Mickey](#).” Her original version, which first dropped in 2016 before going hyper-viral on TikTok earlier this year, has already amassed more than 100 million cumulative streams. She then followed it up with a [remix](#) featuring fellow rapper Saweetie.

In celebration of the release, **Baby Tate** and friends made **Sexploration: The Mocumentary**- a fun and funny series for your pleasure. Each episode features exclusive clips with cast members, dancers, and creators who give their uncensored and unapologetic stories on what it’s like to work with the rising star. Watch [HERE](#).

Baby Tate Presents – Sexploration: The Musical distills all the emotional, genre-fluid stylings that made her an engrossing force of musical creativity. The pansexual party starter has been fusing pop, rap, and R&B since the release of her 2015 debut project, *ROYGBIV*, which she followed with 2019’s acclaimed *GIRLS*, and 2021’s *After the Rain*. **Baby Tate Presents – Sexploration: The Musical** cements her status as one of hip-hop’s most exciting artists.

ABOUT BABY TATE:

Baby Tate represents for the most vibrant among us. The 27-year-old classically trained singer, songwriter, rapper, producer, engineer, and dancer has always channeled her energy into creating music that reflects the Technicolor recesses of her mind. Her discography thus far consists of concept projects like *ROYGBIV*, *BOYS*, and *GIRLS*, all of which saw her exercising full creative control, and more flexible bodies of work like 2020's *After the Rain*, which features her empowering hit "I Am." Her latest EP, *Baby Tate Presents – Sexploration: The Musical*, takes listeners on a theatrical expedition through sexual identity, relationships, and self-confidence. Baby Tate's move from her birthplace of Atlanta to Los Angeles has motivated her to experiment within more sonic landscapes than ever before. She has also been inspired to delve further into her sexual identity: after previously coming out as bisexual on social media, she now identifies as pansexual. The result of opening up her artistic and personal worlds is *Baby Tate Presents – Sexploration: The Musical*, a five-track pop&B production on which she shares her experiences in greater detail. Through everything she does, but especially in her music, Baby Tate strives to create a safe space that challenges sexual norms and embraces gender diversity. By boldly defying stereotypes, she serves as an inspiration for everyone—especially marginalized people—to express themselves authentically.
