January 12, 2024 (Los Angeles, CA) – After building up buzz independently and attracting a growing fan base, Ohio singer, songwriter, and artist **Michael Marcagi** announces his signing to **Warner Records**. Today, he unveils his new single, entitled “**Scared To Start.**” Listen [HERE](#) and watch the lyric video [HERE](#).

On the anticipated new track, which has received an overwhelmingly positive response on [TikTok](#), bright guitar echoes through a steady tambourine-driven beat. **Marcagi**'s dynamic delivery takes hold on the verses, while his storytelling immediately transfixes.

*“**Scared to Start**’ is a song for the adventurers, the travelers, and the people who look forward without dwelling on the uncertainties of life,” **Marcagi** says of the track. “It’s about taking the risks and putting yourself out of your comfort zone, regardless of what the rest of the world has to say.”*

Michael recently made waves with his first solo single, the fan-favorite “[The Other Side](#).” Since its release last month, the track has gathered millions of streams and counting. Right now, he’s preparing more music for release in 2024.

Hailing from Cincinnati, Ohio, **Michael Marcagi** arrives with an emotional and engaging tale to tell. He emerges out of the heartland as an eloquent, artful songwriter and captivating storyteller with a whole lot to say.
