**July 27, 2023 (Los Angeles, CA)** – Grammy®-nominated artist **Saweetie** releases two new singles that are sure to make waves in music and pop culture. She joins forces with fellow rap luminaries **YG** and **Tyga** for the club-ready new single **“Birthday”** and turns all the way up on **“Shot O’ Clock.”** Listen [HERE](#) via **ICY/Warner Records**. True to form, the Cali MC’s latest smashes sizzles with bravado and suggestive innuendo — making it the perfect soundtrack to any celebration. That joyous tone comes through in the accompanying **“Birthday”** video, which finds the trio ready to party. Watch it [HERE](#).

*“Comin’ live on my birthday, spendin’ hundred racks on a new chain,”* **Saweetie** raps over a pulsing bassline. Her collaborators then tackle a verse a piece, each putting their own spin on the swaggering anthem. The final result is the kind of unstoppable club monster that demands people to move.

In the track’s suitably slick video, **Saweetie** serves eye-candy and attitude on her birthday and it’s clear she’s in control. Always the life of the party and a Goddess in true form, the video gives us a glimpse into lavish lifestyle and birthday shenanigans.

The follow-up track, **“Shot O’Clock,”** is a flip of **Suzanne Vega’s** seminal **“Tom’s Diner.”** It’s an upbeat nightclub anthem capturing the energy of partying all night long with friends. Since day one, **Saweetie** has shown an innate ability to captivate with her bold delivery and addictive, tell-it-like-it-is lyricism. Both songs demonstrate her versatile talent, seamlessly switching between punchy rap bars and catchy hooks. These two releases are just a taste of what we can expect from her highly anticipated debut album. With **“Birthday”** and **“Shot O’ Clock,”** the hip-hop heavyweight ups the ante by delivering bangers that’ll be in high rotation at parties for years to come.

**Saweetie**, **YG**, and **TYGA** will perform **“Birthday”** when they hit the road this fall for the **“STR8 to the Klub Tour.”** Spanning 13 West Coast cities in North America, the California rappers will also enlist **Kamiyah**, **Wallie The Sensai**, and **DJ Vision** as supporting acts.
