August 25, 2023 (Los Angeles, CA)– Back with another infectious banger, emerging rapper **1nonly** shares a new single entitled “**POPTHATRUNK**” featuring **Freddie Dredd** today. Listen [HERE](#) via **Warner Records**.

Produced by frequent collaborator **Dwilly**, the track’s punchy bass line thumps under a flawlessly delivered verse from **1nonly**. The ominous imagery of his verses gives rise to equally insidious bars from **Freddie**. Together, they deliver an epic collaboration.

Regarding the track, **1nonly** says, “*This is an idea we had originally put together for the **Fast and the Furious X** soundtrack. Then, we were at **Rolling Loud Miami** on the same stage and decided it was time for this song to go out to our fans. **Dwilly** jumped in on the production and killed it. I’ve messed with Freddie’s music for a while, and I think this song is going to blow up.*”

“**POPTHATRUNK**” follows this summer’s “**TOOLIE BEAM**” featuring **Pouya**. The latter has posted up 3.2 million global streams thus far.

1nonly continues to put up insane numbers. He averages a staggering 6.1 million monthly listeners on Spotify with over 1.1 billion global streams and 405 million total video views. On TikTok, he has inspired north of 1.2 million total “creates,” yielding 4.3 billion-plus views.

This year, **1nonly** has set the game ablaze with “**Split**” and “**GHOSTKILLA**” [with **Jasiah**]. Last November, he dropped the *Homesick* EP highlighted by “**Mine**” and “**Step Back!**” alongside New Zealand rapper-producer **SXMPRA**. **1nonly** built on that momentum by unleashing “**Leave**.” Earlier this spring, he completed his first-ever Spotify Stages tour which saw the rapper bring his frenetic energy to crowds all over.

Stay tuned for more music and surprises from **1nonly**.

ABOUT 1ONLY:

1only's gothic raps are dark, yet glamorous. Every song is a blur of euphoria and violence, a mosh pit of TikTok generation rap tropes, while he sits at the center, dropping flexes in a deceptively casual cadence. He's at peace in the chaos. Born Nathan Fuller in 2004 in Las Vegas, NV, 1only first dove into alt-metal bands like Linkin Park and Breaking Benjamin, later finding hop-hop as a high schooler through skate culture and the internet. He put out his first music in 2019, recorded on a gaming headset, and immediately found an audience for his hooky, tongue-in-cheek style. As he immersed himself in recording more, he shifted from bedroom pop to rap and began honing his sample-heavy sound. Now signed to Warner Records and represented by Wax Management, 1only wants to take his songwriting to the next level, working with SoundCloud rappers who inspired him, like Xavier Wulf and Night Lovell, and tapping even further into the romantic darkness he's cultivated in his music. He's one of rap's true punks, making uniquely gloomy, angsty, and otherworldly songs that just might push the whole genre—multiple genres, even—forward.
