**June 20, 2023 (Los Angeles, CA)**– Ready to ignite this summer, emerging artist **1nonly** unleashes a hypnotic, haunting, and hard-hitting new single entitled “**TOOLIE BEAM**” featuring **Pouya** today. Listen [HERE](#) via **Warner Records**.

The track synthesizes industrial overtones, thick bass, jarring squeals, and apocalyptic flows into a future-facing gothic hip-hop dreamscape. **1nonly**'s guttural delivery barely cracks a whisper as he warns, “*I’m riding round with this **TOOLIE BEAM**.*” Meanwhile, Miami underground phenomenon and fellow audio insurgent **Pouya** rolls through with an equally insidious assist.

About the track, **1nonly** shares, “*I’ve been telling my fans and family that my music was going to get more real with each and every drop. I’m committed to that. I’ve spent hundreds of hours in the studio, with a lot of different producers, and artists, looking for a bigger sound that represents what I’m capable of as an artist. I’m looking for my tre flip. This is it. I’ve been listening to Pouya for years, now we have **TOOLIE BEAM**. Next we’re on the same stage in Miami Rolling Loud.*”

It lands in the wake of “**Split**.” The latter has already reeled in 3.5 million Spotify streams and 509K YouTube views on the [visualizer](#).

**1nonly** has achieved unprecedented success on his own terms. Thus far, he has gathered **1 billion global streams** and counting in addition to averaging over **5.8 million monthly listeners on Spotify**.

Next month, he will tear up at the stage at **Rolling Loud Miami 2023** on Saturday July 22!

This year, he has set the game ablaze with “**Split**” and “**GHOSTKILLA**” [with **Jasiah**]. Last November, he dropped the *Homesick* EP highlighted by “[Mine](#)” and “[Step Back!](#)” alongside New Zealand rapper-producer **SXMPRA**. **1nonly** built on that momentum by unleashing “[Leave](#).” Earlier

this spring, he completed his first-ever Spotify Stages tour which saw the rapper bring his frenetic energy to crowds all over.

Stay tuned for more music and surprises from **1nonly**.

#### **ABOUT 1NONLY:**

1nonly's gothic raps are dark, yet glamorous. Every song is a blur of euphoria and violence, a mosh pit of TikTok generation rap tropes, while he sits at the center, dropping flexes in a deceptively casual cadence. He's at peace in the chaos. Born Nathan Fuller in 2004 in Las Vegas, NV, 1nonly first dove into alt-metal bands like Linkin Park and Breaking Benjamin, later finding hop-hop as a high schooler through skate culture and the internet. He put out his first music in 2019, recorded on a gaming headset, and immediately found an audience for his hooky, tongue-in-cheek style. As he immersed himself in recording more, he shifted from bedroom pop to rap and began honing his sample-heavy sound. Now signed to Warner Records and represented by Wax Management, 1nonly wants to take his songwriting to the next level, working with SoundCloud rappers who inspired him, like Xavier Wulf and Night Lovell, and tapping even further into the romantic darkness he's cultivated in his music. He's one of rap's true punks, making uniquely gloomy, angsty, and otherworldly songs that just might push the whole genre—multiple genres, even—forward.
