"Exes duck and cover, lame-ass dudes grab your shields—Bktherula is firing shots up and down LVL 5 Part 1. With a knack for vocal improvisation on par with Detroit's finest and a delightfully random assortment of beats, the Atlanta rapper has made her best mixtape yet." - Pitchfork

"Bktherula can't be contained. At 20, she's far too restless to be boxed into a single subgenre. The 20-year-old Atlanta emcee lulls you with melodic runs one minute only to pummel you with pulverizing bars the next." - **FADER**

"BK THERULA Reaches New Dimensions on LVL5" - **Office Mag**

March 8, 2024 (Los Angeles, CA) –Atlanta disruptor **Bktherula** shares psychedelic new single, "THE WAY," ahead of her forthcoming album, *LVL5 P2*, arriving next Friday, **March 15th**. Listen [HERE](#) and watch the video [HERE](#) via Warner Records.

Produced by **Carlton & Azure**, the track finds **Bk** melodically admiring the effect her love interest has on her: *"You on fire / The entire world stops for you."* Continuing to sing over gentle strings and ethereal synths, she trusts that everything will happen as it's meant to, in "the way" that the universe has planned for her.

"THE WAY" arrives as **Bk** prepares to release her highly anticipated new project *LVL5 P2* next Friday. The album embodies Bk's new rap cadence, blending distorted and chaotic soundscapes with unapologetic flows and ethereal melodies. *LVL5 P2* is the follow-up to her acclaimed 2023 album *LVL5 P1*. The project is home to recent hits like "[CRAYON](#)" (2.5M global streams) and "[TATTI](#)," as well as new tracks like the Cash Cobain featuring "SHAKIN IT."

Bk began her preparation for *LVL5 P2* last year, sharing a string of successful singles, including "[It Wasn't Me \(Freestyle\)](#)" via On The Radar and "[CRAZY GIRL 2](#)" featuring YoungBoy Never Broke

Again — a remix of “CRAZY GIRL” from last year’s [Pitchfork](#)-acclaimed *LVL5 P1*. Prior to *LVL5 P1*, she released her EP *Love Nirvana (Acoustic)*, featuring original and newly stripped-down versions of beloved tracks, including “UH HUH,” “Tweakin’ Together,” and “Summer.”

The new single, as well as the rest of her new tunes, will receive a warm welcome when Bk joins **PinkPantheress** on her “**Capable of Love Tour**,” which will crisscross the U.S. this April. Click [HERE](#) to buy tickets and see tour dates.

Recently named to [Forbes' annual 30 Under 30 list](#), Bk has built a devoted following by releasing tracks that showcase her raw emotions. Now, with “**THE WAY**,” she’s done it again — delivering a track that’s as unique as it is captivating.

ABOUT BKETHERULA:

Blending dystopian soundscapes with jumpy flows and ethereal melodies, Bktherula makes a new kind of rap psychedelia. Since breaking out with “Left Right” in 2019, she’s oscillated between raucous cloud rap and gentle R&B, fusing impressionistic songwriting with complex musicality to create affecting anthems that feel futuristic and universal. The 21-year-old has been rewarded with a growing legion of fans and a slot as Atlanta’s next-up in many critics’ estimations. To date, her songs have collected more than 265 million streams across multiple platforms. She’s planted more seeds with “TATTI,” the playfully braggadocious new single from *LVL 5, Part 2*, her kaleidoscopic new EP on Warner Records. Coated in dynamic sounds and subtle emotional depth, the tracks reflect a Bk who has leveled up in more ways than one. At age 13, Bk uploaded her first songs to SoundCloud. At 16, she was putting her playfully swaggering raps to the test at local shows in Atlanta’s rap underground. Now, following the release of *LVL 5, Part 1* and ahead of *LVL 5, Part 2*, she looks to soar higher than ever. This past spring, she embarked on her first-ever sold-out tour. Brainstorming new dreams, Bk looks to the future. “I want my music to inspire others to be the best version of themselves,” she says. “I feel extremely blessed where I am now and where I see myself going. I’m super blessed for my fans, because I wouldn’t be here without them.”
