July 28, 2023 (Los Angeles, CA)— A major player in Jersey club's recent creative and commercial renaissance, **MCVERTT** connects the streets and the dancefloor with his high-octane production. Today, the multi-platinum artist behind hits like Lil Uzi Vert's "Just Wanna Rock" shares "[FACE DOWN](#)," a new single featuring **Sexyy Red** and **A\$AP Ferg**. A chaotic banger purpose-built for unhinged hip-shaking, "Face Down" highlights **MCVERTT**'s talents for inspiring hedonistic pandemonium, combining club music's insistent five-beat pattern with an atonal synth pattern that evokes the sound of a dial-up internet connection. Ferg leads off the song with a reference to a 2 Live Crew classic, matching the beat's wild energy by barking like a dog. St. Louis sensation Sexyy Red pops by, bringing her some of her most quotable X-rated bars to date.

"**Face Down**" is the latest single from the upcoming [Defiant Presents: Jiggy In Jersey \(ft. MCVERTT\)](#), a supersized tape that shows off the talents of **MCVERTT**, ascendant Newark club rapper **Bandmanrill**, and Bronx rapper **Sha Ek**. United under the banner of **Defiant Presents**, the Trio's upcoming project demonstrates the Earth-shaking chemistry between **Bandman**'s smooth, rapid-fire rhymes, **Sha**'s booming delivery, and **MCVERTT**'s indomitable, high-BPM production. Spanning 27 tracks, including the third installment of the epic "**Jiggy In Jersey**" trilogy, the recently released "[Pistons](#)," and the Crystal Waters-sampling single "[Mr. D.C.T.](#)"
