April 5, 2024 (Los Angeles, CA) — Today, Memphis rap star **NLE Choppa** drops *Certified*, a compilation album of all his RIAA-certified hits. Laced with pummeling yet infectious street raps and hedonistic slaps that the 21-year-old star is known for, it's a victory lap as much as a trip down memory lane. Listen [HERE](#) via **NLE Entertainment/Warner Records**.

Each song on the compilation earned RIAA-certification. *Certified* is tangible evidence of **NLE Choppa's** power — a monument to one of the most reliable hitmakers of his generation. It's a status he owns proudly.

Checking in at 17 tracks, the LP spans the length of **Choppa's** career, from the platinum-certified "[Shotta Flow](#)" to the two-times platinum-certified "[Slut Me Out](#)." Raucously free-wheeling, "Shotta Flow" helped propel **Choppa** to stardom upon its release five years ago. As raunchy as it is rambunctious, 2023's "Slut Me Out" became a staple of DJ sets across the U.S.

Speaking of, "Slut Szn" is coming soon with the release of **Choppa's** highly-anticipated single "**Slut Me Out 2**." The new version has already incited massive viral chatter following a video of Choppa performing a portion of the song at the Rolling Loud festival in Los Angeles. *The Shade Room*, *Billboard*, *Hot New Hip Hop*, *HipHopDX*, and others covered the performance, including his original dance moves. Watch it [HERE](#).

This April, **Choppa** kicks off his college tour before he joins the road for A Boogie's 'Better Off Alone' tour, which starts June 14th in Michigan and finishes at New York's Madison Square Garden on June 24th. He's known for his high-energy shows and unbelievable fan engagement

experiences. Expect a run-through of all his certified hits and special surprise moments in each city. Full tour dates are listed below.

Born and raised in Memphis, **Choppa** is a spitter who's as dexterous as he is energetic. Since emerging in 2018, he's taken over with projects like **Narco Choppa**, **Top Shotta**, **Cottonwood**, and **Cottonwood 2**, leveling up the range of his songwriting — and his own personal message of transformation — while he's at it.

ABOUT NLE CHOPPA

21-year-old NLE Choppa has impacted music as a multiplatinum chart-topping artist and asserted himself as a champion for Memphis and the greater global community at large. At 16-years-old, he cemented a partnership between his own NLE Entertainment and Warner Records, spawning a series of RIAA certified platinum hits. Even then, he's always used his platform to affect positive change. The NLE Reading Challenge incentivized at-risk Memphis elementary students to read 40 million words, ultimately receiving Tennessee's Charter School Centers Changemaker Charter Award! He performed at GRAMMY in the Schools and organized the "Skate for Tyre" peaceful protest through the streets of Memphis at the top of 2023 and donated a state-of-the-art basketball court to the Raleigh Community Center with all-star basketball player Nancy Lieberman. Additionally, Choppa's vegan lifestyle is also impacting the culture in a positive way. His *This Can't Be Vegan* Food Truck provides a healthy alternative on-the-go in his neighborhood. After his own spiritual awakening NLE Choppa placed an emphasis on mental, physical, and spiritual wellness, adopting veganism, meditation, and prayer. He continues to humbly seek and share enlightenment with his art as the foundation to implement lasting change.
