April 11, 2024 (Los Angeles, CA) — Memphis rap star **NLE Choppa** kicks off "Slut Szn" with the release of **"Slut Me Out 2,"** the extra raunchy sequel to his explosive 2022 RIAA 2x Platinum-certified single, **"Slut Me Out."** He's got a playful and pleasurable accompanying video starring India Love, too. Listen [HERE](#) and watch the video [HERE](#) via **NLE Entertainment/Warner Records.**

Picking up where his Sexy Red-assisted **"Slut Me Out (Remix)"** left off, **Choppa** gets even more direct, diving headfirst into a pool of explicit and braggadocious sexuality. *"If I was a bad bitch, I'd wanna fuck me, too,"* he raps, flaunting confidence that would make Right Said Fred blush. With increasingly graphic quips and pulsing 808s designed for chants, **"Slut Me Out 2"** is the "Slut Me Out" successor fans have been waiting for. The visual only intensifies the vibes.

Playing out like a comedy film shot in a lush mansion, the Ben Marc directed video for **"Slut Me Out 2"** sees a hilarious and over-the-top **Choppa** get extra flirty as he interacts with a small multitude of baddies, including his leading lady India Love. Whether he's in the pool or in the bedroom, Choppa makes his intentions clear. Energetic and unabashedly sexual, it's a showcase for a young artist who can rap his ass off but makes sure to have fun while doing it. Watch it [HERE.](#)

"Slut Me Out 2" arrives on the heels of **Choppa's** [Certified](#) compilation that includes all of his RIAA-certified hits. Checking in at 17 tracks, the LP spans the length of Choppa's career, from the platinum-certified **"Shotta Flow"** to the two-times platinum-certified **"Slut Me Out."** Raucously free-wheeling, "Shotta Flow" helped propel Choppa to stardom upon its release five years ago. As raunchy as it is rambunctious, 2023's "Slut Me Out" became a staple of DJ sets across the U.S., and "Slut Me Out 2" only continues the tradition.

Recently, **Choppa** kicked off his college tour, and in June, he joins the road for A Boogie's 'Better Off Alone' tour, which starts June 14th in Michigan and finishes at New York's Madison Square Garden on June 24th. ABOUT NLE CHOPPA

21-year-old NLE Choppa has already made waves in the rap game with over 7.7 billion streams, 17 RIAA-certified plaques, including a platinum-certified single and two Billboard Hot 100 singles in 2023. At 16 years old, he cemented a partnership between his own NLE Entertainment and Warner Records, spawning a series of RIAA-certified platinum hits. Even then, he's always used his platform to effect positive change. The NLE Reading Challenge incentivized at-risk Memphis elementary students to read 40 million words, ultimately receiving Tennessee's Charter School Centers Changemaker Charter Award! He performed at GRAMMY in the Schools and organized the "Skate for Tyre" peaceful protest through the streets of Memphis at the top of 2023 and donated a state-of-the-art basketball court to the Raleigh Community Center with all-star basketball player Nancy Lieberman. Additionally, Choppa's vegan lifestyle is also impacting the

culture in a positive way. His *This Can't Be Vegan* Food Truck provides a healthy alternative on the go in his neighborhood. After his own spiritual awakening, NLE Choppa placed an emphasis on mental, physical, and spiritual wellness, adopting veganism, meditation, and prayer. He continues to humbly seek and share enlightenment with his art as the foundation to implement lasting change.
