GROUNDBREAKING COUNTRY ARTIST ORVILLE PECK
ANNOUNCES NORTH AMERICAN **STAMPEDE** TOUR FOLLOWING
SIGNING WITH WARNER RECORDS

NEW SINGLE WITH WILLIE NELSON "COWBOYS ARE FREQUENTLY
SECRETLY FOND OF EACH OTHER" OUT APRIL 5

April 2, 2024 (Los Angeles, CA) – Today, **Orville Peck** unveils his upcoming North American **Stampede** headlining tour and reveals that his new single with **Willie Nelson**, "**Cowboys Are Frequently Secretly Fond Of Each Other**," will arrive on **April 5**. This exciting news follows the announcement of the acclaimed artist's signing to **Warner Records**.

"I am incredibly happy to be joining the Warner family and getting back on the road this year," says **Peck**. "I feel happier and healthier than I've ever been, and I'm excited to start this new chapter."

The **Stampede** North American tour — which includes rescheduled dates from his Summer 2023 tour — kicks off in Asheville, NC on May 28, continuing on to Atlanta, Chicago, Los Angeles and more before wrapping up in New York on October 19 and 20. Citi is the official card of the **Stampede Tour**. Citi cardmembers will have access to presale tickets beginning today, April 2 at 11am local time until Thursday, April 4 at 10pm local time through the Citi Entertainment program. For complete presale details visit www.citientertainment.com. Artist presale begins tomorrow, **April 3 at 10am local time**, with public on sale beginning **Friday, April 5 at 10am local time**. See all the tour dates below and click [HERE](#) for tickets.

"**Cowboys Are Frequently Secretly Fond Of Each Other**" is **Peck's** first new release since dropping his acclaimed sophomore album, **Bronco**, in 2022. A wholly original storyteller, the masked star's music has always pushed boundaries and defied expectations. In 2019, **Peck's** self-produced debut album **Pony** won rave reviews and delivered the singles "**Dead of Night**" and "**Take You Back**." By the time he released his second album, **Peck** had already carved out a niche for himself in country music, and well beyond.
