October 4, 2024 (Los Angeles, CA) – Today, celebrated alt-pop singer, multi-instrumentalist and producer **Roy Blair** returns with the sprawling new single “**Panavision**.” Listen [HERE](#) via **Warner Records**. Boasting vivid, visceral lyrics over lush chords and drum and bass production, the track is featured on the unique artist's long-awaited new album, **Chasing Moving Trains**, which arrives **November 1st via Warner Records**. Pre-order [HERE](#).

After four years of meticulous crafting, **Roy** has emerged with his highly anticipated album showcasing his unique ability to both produce and to blend anthemic hooks with progressive, experimental instrumentation. **Chasing Moving Trains** conceptually follows **Roy** in multiple countries, as he searches in his mid 20's for self-discovery and the ever-elusive sense of fulfillment. A triumphant return that eludes genre, the album is an exploration of sound where his ideas and lyrics create a cohesive and evocative body of work. **Roy** says of the album.

*“I think this will be the blueprint for the rest of my career from here on out.. It might be the first time I’ve really captured what I think “**Roy Blair**” is aesthetically and emotionally.*

On “**Panavision**,” his first song-release in half a decade, **Blair** touches on the downside of sudden fame and the subsequent emotional rollercoaster. The track's introspective themes and emotionally charged energy are reflected in the video, which finds **Blair** performing in a dark room with flickering lights. As the exhilarating bridge approaches, rain pours down for a powerful reprise. That imagery is intercut with footage from a studio session. Watch the captivating visual

"**Panavision**" concludes **Blair**'s 5-year hiatus from music. In 2019, he released the cult classic EP *Graffiti* as well as *Graffiti: A Mix By Roy Blair*, a collection of impressive B-sides. The project was recently rereleased on digital streaming platforms to celebrate its 5-year anniversary. Before that, **Blair** dropped his debut album, *Cat Heaven*, in 2017, which garnered over 100 million streams. The release included his hit single "Thunder," a mesmerizing mix of soul influences and sparkling pop sensibilities.

Now, with the release of "**Panavision**" and his eagerly anticipated new album, *Chasing Moving Trains*, on the horizon, **Blair** embarks upon a new chapter that promises to be just as defiant and inspiring as the last.

ABOUT ROY BLAIR:

Roy Blair is an American singer-songwriter and producer known for his emotionally resonant and boundary-defying music. He released his debut album *Cat Heaven* independently in 2017, quickly gaining attention and embarking on a U.S. tour to support it. Two years later, he followed up with the critically acclaimed *Graffiti* EP, which marked a bold evolution in his artistic direction. After five years of meticulously working away at the follow up to *Cat Heaven*, his sophomore album and Warner Records debut *Chasing Moving Trains* is set for release November 2024.
