

"Choppa has transitioned from troubled teen to grounded adult to zealous father, and today he's in tune with himself, spiritually, emotionally and physically, which shouldn't come as a surprise given the provocative and reassuring lyrics of his music." - Paper Magazine

"The overarching theme of self-love resonated with the masses, quickly solidifying "Slut Me Out 2" as an anthem that highlights where Choppa is in life: loving himself and those around him." - Paper Magazine
