December 24, 2024 (Los Angeles, CA) — It's officially '**SLUFFIN SZN**' (Slut + Cuffin Season), and **NLE Choppa** is sliding down the chimney with his first-ever holiday project, ***PICASSO: SLUFFIN SZN X SLUT SZN***, available now via **NLE Entertainment/Warner Records**. Listen [\[HERE\]](#).

The 23-track project is a gift for fans, blending **Choppa's** signature rap energy with smooth, R&B-infused vibes perfect for winter nights. On ***PICASSO: SLUFFIN SZN X SLUT SZN***, **NLE Choppa** brings together sultry melodies, hard-hitting verses, and star-studded collaborations such as **Summer Walker, T-Pain, Skilla Baby, Yung Bleu, J.P., 41, Carey Washington**, and more.

Highlights include:

- "**Stingy**" ft. **Summer Walker**, where steady snaps and sparse piano set the mood as **Choppa** sings, "*I've been stingy with my heart, stingy with my love.*" Walker's soaring vocals amplify the emotion.
- "**You Still At Home**" ft. **Yung Bleu** is a vulnerable track about reconnecting with a distant lover over hypnotic guitar loops.
- "**Love Me,**" is an undeniable bop with infectious energy, big-screen strings, and an irresistible nod to the King of Pop.

PICASSO: SLUFFIN SZN X SLUT SZN captures the spectrum of love and freedom with two themes: "SLUFFIN SZN," a cozy, love-centered vibe, and "SLUT SZN," a high-energy celebration of carefree fun. **NLE Choppa** showcases his versatility through a bold blend of introspection and hype.

From heartfelt slow jams to fiery anthems, **PICASSO: SLUFFIN SZN X SLUT SZN** marks a new creative milestone for **Choppa** while keeping his fans entertained all season long. The holiday spirit is just the icing on the cake of a blockbuster year for the breakthrough star. Fresh off **12 new RIAA Gold and Platinum certifications** — bringing his total to an impressive **24 plaques** — the 22-year-old artist has now surpassed **9 billion global streams**. His 2024 project, *SLUT SZN*, dominated charts and playlists, driven by hit singles like “[Gang Baby](#)” and “[Or What](#),” which climbed the Billboard Hot 100 and ruled urban radio.

Choppa’s reach extended beyond music this year, too. He flexed his creative chops by co-writing, co-directing, and starring in the short film [NLE Choppa Presents: The Wash](#), a hilarious reimaging of the 2001 cult classic featuring cameos from Lil Wayne, Sukihana, and more. He also made waves in fashion, collaborating with DITA Eyewear and launching his exclusive Duck Boot line. **Choppa** hit the runway for Off-White’s NYFW show and graced the [cover of Paper magazine](#), further cementing his place as a cultural force.

Allow **NLE Choppa** to wish you a Merry *SLUFFIN SZN* and a Happy New Year — the holidays just got hotter!
