November 22, 2024 (Los Angeles, CA)– Today, rising Las Vegas rapper-producer **1nonly** releases his new single entitled “VICODIN.” Listen [HERE](#) and watch [HERE](#) via **Warner Records**.

The track’s bassline bumps beneath a glitchy beat, while a loose guitar loop wails in the background. **1nonly**’s insidiously bouncy delivery barely breaks a whisper as he takes stock of his come-up, “*Everything I want I got it, had to step into the finer things, had to get from the rougher times to breakin’ the bread with all my kin.*” Meanwhile, a sample from *The Good, The Bad & The Ugly* seamlessly speaks to the mood, “*You’re alone, huh? Like me Blondie.*” As always, he straddles the line between dark imagery and effusively catchy genre-busting songcraft.

The track is the first single from **1nonly**, following the boundary-pushing tracks “[WHAT YOU WANT](#)” and “[Falling.](#)” It was preceded by the moody number “[Scars,](#)” as well as “[POPTHATRUNK](#)” featuring Freddie Dredd, and “[GHOSTKILLA](#)” featuring Jasiah. Those songs followed on the heels of the *Homesick* EP’s release late last year, which included the singles “[Mine](#)” and “[Step Back!](#)” alongside New Zealand rapper-producer **SXMPRA** as well as “[Leave,](#)” a swaggering track that utilizes both a powerful hip-hop bass with frenetic electronic beats.

Sidestepping convention in favor of dynamic, genre-defying music has always set **1nonly** apart from the pack. Get another dose of **1nonly** with “VICODIN” now.

ABOUT 1NONLY:

1nonly's gothic raps are dark, yet glamorous. Every song is a blur of euphoria and violence, a mosh pit of TikTok generation rap tropes, while he sits at the center, dropping flexes in a deceptively casual cadence. He's at peace in the chaos. Born Nathan Fuller in 2004 in Las Vegas, NV, 1nonly first dove into alt-metal bands like Linkin Park and Breaking Benjamin, later finding hop-hop as a high schooler through skate culture and the internet. He put out his first music in 2019, recorded on a gaming headset, and immediately found an audience for his hooky, tongue-in-cheek style. As he immersed himself in recording more, he shifted from bedroom pop to rap and began honing his sample-heavy sound. Now signed to Warner Records and represented by Wax Management, 1nonly wants to take his songwriting to the next level, tapping even further into the romantic darkness he's cultivated in his music. He's one of rap's true punks, making uniquely gloomy, angsty, and otherworldly songs that just might push the whole genre—multiple genres, even—forward.
