“[Austin] has become a sensation”
Rolling Stone

“One of the signature country songs of the year”
The New York Times

Los Angeles, CA (November 15, 2024)– One of the hottest breakout stars of 2024, RIAA Platinum certified pop-country sensation, **Dasha**, serves up a new track entitled **“Heartbreaker From Tennessee”** out now via **Warner Records**. The song closes out the story that unfolded with the release of her acclaimed album, **What Happens Now?**. Listen to **“Heartbreaker From Tennessee”** [HERE](#).

On **“Heartbreaker From Tennessee”** Dasha shared a handwritten note with her fans saying:
“Hi guys! I get butterflies just thinking about this past year. It went by so quick, I feel like I blinked and then it was over. It still doesn’t even feel real. I’ve been dreaming about this shit since I was a little kid and it truly blows my mind that this is my life now. I’ve felt my highest highs ever that then got matched with my lowest, darkest times during all the madness. It’s crazy to have your wildest dreams coming true while getting so much hate and judgment spit at you from people you’ve never met. I won’t lie, the non-stop work schedule, running on fumes and caffeine, while still expected to be on was hard. It is hard. I got the darkest mentally I’ve ever been but stepping on stage and seeing all of your beautiful faces across the world this past summer and fall and hearing you scream the words to my songs recharged every battery in me. You make it so worth it, all the tears and anxiety, all nighters, every hard conversation that this damn song has brought me and my team in the past year...so worth it. You made it so worth it. My fans, my followers, my friends, I can’t even begin to express how grateful I am that you’re here on this journey with me. Still pinching myself that this is my life. To my fans: enjoy this small token of appreciation and know how much I love you. Y’all have been asking about this one - ‘Heartbreaker from Tennessee’ is yours tonight, at midnight EST. - Dash”

“Heartbreaker From Tennessee” hinges on an anxious palm-muted guitar riff and a smoky beat. Emotion practically overflows from confessional verses as **Dasha’s** soulful and spirited delivery takes hold. Wrestling with the regrets of a fling, she recounts her experience without pulling any punches, *“I was 23 when I met the heartbreaker from Tennessee.”* It culminates on an anthemic refrain uplifted by her skyscraper-size range.

2024 was a monumental year for the singer-songwriter. Her mega-smash “Austin (Boots Stop Workin’)” picked up RIAA platinum certification in the United States and platinum/gold in seventeen countries around the globe. She notably garnered her very first *People’s Choice Country Award* in the category of “Female Song of 2024” for the track. Additionally, **Dasha** made her debut at the iconic Grand Ole Opry® in Nashville, TN, performed at the 2024 CMT Awards, graced the carpet of the 2024 ACM Awards, and performed at Stagecoach, Hangout Music Festival, Lollapalooza, and more!

Tonight, **Dasha** will be performing the last stop on her sold-out Dashville, U.S.A tour which included dates in New York City, Los Angeles, Nashville and more. It was recently announced that she will be performing at the Macy’s Thanksgiving Day Parade in New York City, on the Big City Cheer! Float by Spirit of America Productions. Earlier this week, **Dasha** reached 1 Billion total global streams. Looking ahead, the singer-songwriter is set to perform at various iHeartRadio Jingle Ball dates across the country this December.
