July 25, 2018 (Los Angeles, CA) – Continuing a breakthrough 2018, multiplatinum 5x BRIT Award-nominated artist Anne-Marie hits radio this week with her new single “2002,” available [HERE](#).

Arriving hot on the heels of Marshmello and Anne-Marie’s inescapable RIAA gold-certified smash “FRIENDS”, all signs point to “2002” becoming the *song of the summer*. Co-written with Ed Sheeran, the track’s sunny acoustic guitars, finger-snaps, and sweetly nostalgic chorus culled from turn-of-the-century radio staples has enchanted both fans and critics alike. Spotify streams exceeds 148 million, while the [video](#) has clocked 69 million views to date. An [acoustic duet performance of “2002”](#) by the songstress and Sheeran also leapt past the 12 million mark in less than a week.

“2002” was declared a *song of summer* contender by *The Today Show*, while *People* dubbed it, “a nostalgia-fueled millennial dream” and *Billboard* called it “an upbeat love song.” *Rolling Stone* also featured “2002” on their summer playlist. Further critical acclaim has come from *Time*, *Elle*, *Harper’s Bazaar*, and *Paper* who named her among “100 Women Revolutionizing Pop.”

At the same time, “FRIENDS” simultaneously shows no signs of stopping or slowing down. It recently achieved a gold certification and is closing in on half-a-billion Spotify streams. Official video views of “FRIENDS” have surpassed half a billion views. The track marked an international breakthrough moment for Anne-Marie who has become one of the year’s fastest rising superstars.

Anne-Marie brings these anthems and more to the stage this summer, supporting Ed Sheeran on his North American stadium tour and performing solo headline gigs—most of which have sold out—in

between. Tickets and tour dates [here](#). In the midst of her robust tour schedule, she'll hit the stage at *Good Morning America* on September 3rd to perform "2002."

Once a five-time karate champion and now a five-time BRIT Award nominee, singer, songwriter, and budding superstar Anne-Marie has emerged as pop music's hottest new voice, powered by confident and catchy anthems with a female-centric message and uncontrollable charisma. Her growing discography encompasses the double-platinum "Rockabye" with Clean Bandit and Sean Paul, global smash "FRIENDS" with Marshmello, and gold single "Alarm." Her full-length *Speak Your Mind* already stands out as the biggest-selling UK debut of 2018. Anne-Marie has garnered nominations at the *Billboard Music Awards*, *Teen Choice Awards*, *iHeartRadio Music Awards*, and more.
