June 7, 2018 (Los Angeles, CA) - Gorillaz have revealed a new album track from *The Now Now*: In addition to first single “Humility,” and its #1 Global Trending Video on YouTube directed by Jamie Hewlett and starring Gorillaz’ own 2D and Jack Black, a new album cut “Sorcererz” is now available digitally (along with album track “Lake Zurich,” which was released simultaneously to “Humility”). **Listen to ‘Sorcererz’ [here](#).**

The Now Now is the latest all new studio album from the World’s Most Successful Virtual Act*. Produced by Gorillaz, with James Ford and Remi Kabaka, it was recorded entirely this February at Studio 13, London and is set for release June 29th on Warner Bros. Records.

In other Gorillaz news, the band recently confirmed the musical lineup of Demon Dayz LA, the inaugural U.S. staging of their Demon Dayz festival, taking place Saturday, October

20th at Pico Rivera Sports Arena & Grounds in Los Angeles.

Headlined by Gorillaz' only west coast appearance of 2018 and featuring special guests Erykah Badu, The Internet, DRAM and more, Demon Dayz LA promises an experience like no other: Two stages worth of special guests and collaborators from within and beyond the Gorillaz extended family, plus an assortment of surprises, attractions, exclusive merchandise and more—all combining to create an auditory, visual and physical version of the Gorillaz universe for fans to explore.

Demon Dayz LA arrives at the close of the North American leg of *The Now Now Tour*, which kicks off October 8th in Toronto, and makes stops in Montreal, Philadelphia, New York, Boston, and Chicago.

And back in the UK, Gorillaz lynchpin Murdoc Niccals—currently incarcerated at London's Wormwood Scrubs—has launched an ingenious plan to enlist loyal fans in the [#freemurdoc](#) campaign to assist his efforts in gathering information behind his false imprisonment for smuggling... With the help of a multi-platform chatbot, concerned fans around the world can converse with Murdoc – via voice or text – to hear from the man himself on what exactly they can do to help him break out of prison to restore his rightful place in the band, alongside 2D, Noodle and Russel.

The Now Now is available as a single CD, vinyl LP and as a digital download, as well as a collector's edition Deluxe Vinyl LP Box Set. Details including pre order information [here](#).
