

RÜFÜS DU SOL REVEAL SECOND TRACK 'UNDERWATER' OFF FORTHCOMING ALBUM

'SOLACE' LP TO BE RELEASED FALL 2018 ON REPRISE RECORDS

24 DATE NORTH AMERICAN ALBUM TOUR KICKS OFF OCTOBER 26

August 10, 2018 (Los Angeles, CA) - Globally renowned live-electronic trio **RÜFÜS DU SOL** release their second offering 'Underwater' from forthcoming album 'Solace'. The track espouses the boundary-pushing production, and soaring vocals that RÜFÜS DU SOL have built their name on. 'Underwater' is another glimpse at the band's on-going evolution, following the band's debut track 'No Place.' 'SOLACE,' out this fall, promises to elevate RÜFÜS DU SOL's emotive and captivating sonic storytelling to another level.

'Underwater' arrives in the midst of constant noise surrounding the juggernaut of RÜFÜS DU SOL's touring schedule. The band moves towards three sold out shows at both Los Angeles' Shrine Expo Hall

and New York's Terminal 5, forthcoming sell-outs at London's O2 Forum and Manchester's Club Academy, and a standout Halloween performance at San Diego's Valley View Casino Center arena. Additional fall dates include sold out shows at Emo's in Austin, TX, The Van Buren in Phoenix, Denver's The Fillmore, and a festival set at Voodoo Music & Arts Experience.

Comprised of members Tyrone Lindqvist, Jon George and James Hunt, RÜFÜS DU SOL occupy the intersection of propulsive indie music and emotive house. They have managed to combine the DIY live aesthetics of rock with the euphoria of classic club culture, creating a sonic realm all their own.

The band's debut album, *ATLAS*, reached No. 1 on the Australian charts and reaped Platinum status – successes that were repeated with its follow-up record, *Bloom*. Released in 2016, *Bloom* offered such iconic singles as "You Were Right" and "Innerbloom," and launched RÜFÜS DU SOL on a two-year international tour, playing over 100 sold-out shows across 13 countries.

RÜFÜS DU SOL has spent the past year in Venice, CA, writing and recording their third album, which is largely influenced by the dichotomy of the stark desert landscapes and beautiful coastline of California. It's a fuller exploration of RÜFÜS DU SOL's ever evolving musical spectrum, a deeper dive and a more intimate glimpse into both melancholy and transcendence.

"It feels like a new RÜFÜS," the trio says. "We are inspired by our new home out here, by the people we've met and the music we've heard along the way. We've got a refreshed sense of ambition and cannot wait to share our creation with the world."
