March 29, 2019 (Los Angeles, CA) – Spring may be on the horizon, but it’s *icy* today...

Critically acclaimed gold-certified rapper, entrepreneur, fashionista, songwriter and star **Saweetie** unveils her brand-new *ICY* EP today. Get it [HERE](#) via **ICY/Artistry Records/Warner Bros. Records**.

In tandem with the release, she uncovers the Christian Sesma-directed music video for her new single **"Emotional"** [feat. **Quavo**]. Underscored by spacious and sensitive production [Nova Wav], the track revolves between **Quavo**'s signature trap-croon and **Saweetie**'s nimble rhymes and intimate admissions such as, *"I'm emotional. You know I can't let you go, I'm emotional."* The music video places a spotlight on this love story with a sexy and sultry cinematic display. Watch it [HERE](#). **"Emotional"** illuminates her marked progression as does the EP in its entirety.

"'Emotional' shows more of a vulnerable side of me compared to braggadocios tracks like 'ICY GIRL' and 'Pissed'," she states. "It's been a year since my last project, so I'm excited for my supporters to witness my growth. Music is special because it creates a nostalgic moment in time, and I'm ready to create that next season with my listeners."

Manager and Co-Executive Producer Max Gousse also added, *"Saweetie really took her time on this EP and was hands-on in every way from song selection to the mixes to the music video concepts. Her growth as an artist and a businesswoman have been amazing. Her fans are in for a real treat."*

The **ICY** EP features production by multiplatinum producers **Hit-Boy**, **Murda Beatz** and **London On Da Track** in addition to **Nova Wav** and **Cronkite**. It kicks off with the spitfire swagger and bold bravado of **"Trick"** before turning on a dime into the duet banger **"Tip Toes"** [feat. **Quavo**]. Meanwhile, **"Hot Boy"** turns up the heat to seductive temperatures as the finale **"1 of 1"** perfectly describes the MC and her place in the game. Check out the full tracklisting below.

Saweetie continues to stun at every turn. Recently, she launched her own **ICY** jewelry collection in addition to gracing the covers of *Paper* (digital), *MOD* and *Wonderland*. Not to mention, her **"ICY GRL"** single continues to dominate with 200 million streams while her collaboration with **London On Da Track** **"Up Now"** [feat. **G-**

Eazy and Rich The Kid] closes in on 30 million streams. Next up, she hits the stages at all three U.S. *Rolling Loud* festivals, Cardi B's headlining tour, *Wireless Fest* and her very own multi-night Las Vegas residency.

As a businesswoman, she teamed with Sprayground, Missguided, Beats and Fashion Nova for high-profile partnerships. Meanwhile, everyone from David Guetta to Dua Lipa has enlisted her for guest spots. As a fashionista, One Model Management (New York)/Lipps Agency (Los Angeles) signed her for modeling, and she graced the cover of *Wonderland* in addition to appearing in *C.R.
