May 1, 2019 (Toronto, Ont.) – Today, OVO Sound's **Baka Not Nice** released a new video for "My Town" feat. **Giggs**, premiered by [Complex](#). The track is one of the highlights from Baka's latest project *no long talk*, and quickly became a fan-favorite across the globe. Directed by Myles Whittingham and recently filmed in London with a special cameo from Gigs, the artistic visual came together while Baka served as support on Drake's U.K. *Assassination Vacation Tour*. It also incorporates Baka's explosive performances on the sold-out tour between various scenes depicting the London backdrop. Check it out below!
