**July 19, 2019 (Los Angeles, CA)** – Landover, Maryland’s **Black Fortune** is one of the hottest artists to emerge from the DMV area (D.C./Maryland/Virginia) and today he delivers a brand new version of his debut mixtape *OsshRock* titled ***OsshRock (Deluxe)***. The offering arrives complete with three new songs in tandem with a captivating new visual for “**Keith Sweat**.” The video features Black Fortune donning a bathrobe in a beautiful house surrounded by dancing video vixens.

Capitalizing on the buzz he created himself, Black Fortune dropped his debut mixtape *OsshRock* in November 2018. The project is still catching fire online and in the streets with ferocious bangers like “Gorillaz,” “Katrina” and the title track. The new songs on the deluxe version released today include “**McDeez**,” “**Black Vicious**” and “**Rock Joint**” (full tracklist below). Covered by *The FADER* and more, Black Fortune has already

garnered high profile support from the likes of Travis Scott, SZA, Rich The Kid and Diddy. Listen to the project now and check out the new video.
