September 4, 2019 (Los Angeles, CA) 15-year-old U.K. born singer and songwriter Lewis Blissett released a new track entitled "Killing Butterflies" today, produced by SIBA (Charli XCX, L Devine). The metaphorical piece explores the vices people hold in all forms and how they can often destroy the most beautiful parts of their very being. Listen [HERE](#) via Warner Records.

Lewis is a rare breed - the beauty and pain in his voice seem way beyond his years. He has made a name for himself in a short time, cultivating 2.5 million followers on Instagram and YouTube combined and amassing over 3 million cumulative streams for his debut single "[Sick Thoughts](#)," which was released this summer. His viral covers have also garnered co-signs from [Billie Eilish](#), [Ariana Grande](#) and [Rihanna](#).

Stay tuned as Lewis Blissett readies his debut EP on Warner Records, due out later this year. For more info, click [HERE](#).
