ABOUT WALE:

There's only one **Wale**. Since arriving in 2006, he has consistently gone against the grain. An old school lyricist with new school energy, otherworldly hooks and a sense of irony tailor-made for its own *Seinfeld* episode, he instantly set himself apart. 2008's inventive **Mixtape About Nothing** cemented him as a critical favorite and preceded the major label debut **Attention Deficit** in 2009. Bowing at #2 on the *Billboard* 200, the now-classic and gold-certified **Ambition** yielded the GRAMMY® Award-nominated platinum-selling "**Lotus Flower Bomb**." Two more blockbusters followed as **The Gifted** [2013] and **The Album About Nothing** [2015] both crashed the *Billboard* 200 at #1 back-to-back. **Shine** [2017] gave the world "**My PYT**," which is RIAA certified platinum, as **Wale** continued dropping heat. Along the way, **Wale** covered magazines such as *Complex*, *Billboard*, *XXL* and *Vibe*, and would receive honors at the BET Awards, BET Hip-Hop Awards, Soul Train Awards and more. To date, **Wale** has achieved four platinum or multi-platinum singles, three gold singles and two gold albums. **Wale** continues to break ground with the release of 2019's critically-acclaimed **Wow... That's**

Crazy, which includes #1 single “**On Chill**” featuring **Jeremih**. What’s more, Wale has accumulated over 8 million monthly listeners on Spotify and has reached over half a billion channel views on YouTube.

Wale also made history as “**the first rapper to open the State Of The Union,**” gracing the stage with an unforgettable performance before President Obama’s final State Of The Union Address. A regular guest of the First Family, he participated in First Lady Michelle Obama’s “Reach Higher” initiative for higher education as well. Expanding his cultural influence, Wale teamed up with Villa for a limited-edition line of sneakers. These included the Asics “Bottle Rocket,” the Timberland “Gift Box Set” and the VILLA x Wale x ASIC Gel Lyte III “IC Champion.” Wale’s label imprint, **Every Blue Moon**, encompasses the scope of his creative vision with musicians, comedians and screenwriters under its umbrella.
