"Khushi is defining his own evocative sound as a solo artist... he leans into reverberating echoes, delicate falsettos and hums, building tension to cinematic release. But the lyrics are intimate, delivered in a kind of confidential whisper." —[TIME](#)

February 20, 2020 (Los Angeles, CA) — Rising London artist **Khushi** premieres the abstract visual for "This Is, Pt. II," featured on his debut album [Strange Seasons](#).
