**March 27, 2020 (Toronto, Ont.)** – **PARTYNEXTDOOR** returns to the spotlight with his feverishly anticipated fourth album, *PARTYMOBILE*, via OVO Sound. *PARTYMOBILE* features the blockbuster single "Believe It," an uplifting and empowering anthem by PND and global pop icon **Rihanna**. *PARTYMOBILE*, which also features the likes of **Drake** and **Bad Bunny**, marks the first full-length album from the Toronto native in three years.

*PARTYMOBILE*, whose title is inspired by listening to music while driving, is a bold statement from PND, one of the most influential artists and songwriters of this generation. PND shares, "This album was inspired by the experience you get when riding in your car and you're listening to music by yourself. It is the soundtrack for those late drives." Over the course of 15 tracks, he dissects and tackles subjects like reconciliation with past mistakes, turmoil, self-awareness and personal growth. The album arrives after a string of songs and visuals mounted suspense around the project, including the most recent track, the contemplative "[SPLIT DECISION](#)," as well as "[THE NEWS](#)" and runaway smash "[LOYAL](#)" with Drake, which has amassed over 203 million streams across platforms. "LOYAL" also saw a linear and digital [video premiere](#) with *Adult Swim* as well as a feature from Puerto Rican hitmaker Bad Bunny, who appears on the official remix.

With critical praise across the board and a new magnum opus to share with the world, the moment fans have been eagerly waiting for has finally arrived. Listen to *PARTYMOBILE* now.
