**May 15, 2020 (Los Angeles)** – Landover, Maryland native and the DMV’s most exciting prospect, **Black Fortune**, has announced his forthcoming project, ***OSSLORD***, is set for release June 12th on Warner Records. The news also comes with an explosive video for new track “**Off Shi\*t**” featuring emerging New York artist **Fivio Foreign**. **Black Fortune** has been spinning up momentum coast to coast over the past year and recently released “[Nothing To Lose](#),” an homage to the classic film *Belly*, effortlessly switching between rapping and singing.

*"The 'Off Shit' record with Fivio came about through my managers, who also manage the producer who made the beat, Lang Father, " **Black Fortune** shared. "Lang was playing some of music in the studio one day with Fivio and Sosa Geek in there and they were rockin' with it and told them it would be dope to do a record together. So we set it up and I came up to New York and linked with Fivio in the studio and we recorded 'Off Shit' and shot the video with JLSHOT that the same night."*

**Black Fortune's** debut mixtape [OsshRock Deluxe](#) was released last year, putting him on the map and further introducing him to the masses after a string of regional tracks began buzzing. *Osshrock Deluxe* featured songs like "OsshWop" and "Gorillaz," which took the DMV area streets by storm and garnered coverage from the likes of *The FADER*, *HYPEBEAST*, *Lyrical Lemonade*, *HipHopDX*, *Elevator Magazine* and more. Watch the high energy visual for "Off Sh\*t" featuring Fivio Foreign and pay close attention as **Black Fortune** continues to shake up 2020.
