**May 29, 2020 (Los Angeles, CA)** – New Jersey R&B singer, **Love Mansuy**, has shared his stellar “**Count On You**” track featuring **Lil Wayne**. In April, **Love Mansuy** released this rendition of the song, which is featured on his 2019 debut EP, *Of Age*, as an Amazon Original. “Count On You” came together organically and shows the breadth of the 27-year-old’s ability to captivate with his voice. His *Of Age* EP was met with acclaim from the likes of *Complex*, *Pigeons & Planes*, *Essence*, *DJ Booth* and more.

*“Being a student of music and the game, Wayne is hip-hop’s Kobe Bryant to me. I was just a kid when I started observing Wayne. His dedication to his craft, his individuality and pure genuineness as a person has always appealed to me. Not only did he revolutionize music with his mixtapes and albums, but he cultivated his own sound that in turn cultivated a generation,”* said **Love Mansuy**. *“So for a legend like him to recognize my work and respect it enough to jump on my*

*single, a song in which I contemplate the difficulties of choosing to pursue music while raising a son with my partner, is something you can only dream of. Being an artist is not easy, but Lil Wayne has taught me with hard work and dedication, you can do anything and his blessing means the world to me.”*

#### **ABOUT LOVE MANSUY**

Growing up with the name “Love” wasn’t easy for the Montreal-born, New Jersey-raised artist Love Mansuy, who learned early on that people around him would always expect him to embody “love.” He released his debut EP, *Of Age*, last year on Warner Records, which is described as a candid contemplation on Love’s more recent partnership and newfound fatherhood, but it only scratches the surface of his journey. The EP finds the singer-songwriter in excavation mode, digging up emotions and putting them under a sonic microscope in order to get closer to an understanding of what “love” really is.
