June 12, 2020 (Los Angeles) – DMV artist **Black Fortune** has unveiled a new single entitled "**Bankrupt**," which will be featured on his forthcoming **OsshLord** mixtape, arriving next Friday, June 19th. On the track, Black Fortune effortlessly unleashes his slick and catchy verses over the airy production. Check it out [HERE](#) and lookout for the official video coming soon.

"The 'Bankrupt' track for me is a lighter, more fun track for people to vibe and turn up to. It's a perfect summertime song to party to," Black Fortune shares. "I linked up with producers, Flamey and Mark Nilan, out in LA in the studio. We went through beats and 'Bankrupt' came on, and it was a little different for me, so I wanted to try it out. And from the first take, it was a hit for us. And we got a crazy visual to it too. We shot a real movie put together by me and my managers, Q and GB (Pearl House), along with Omada productions that goes with the song perfect. It also

features my homie Ayye Pap, comedian from the DMV, who helped out playing a role in the video and crushed it off his acting. I wanted to make sure everything was perfect with this record and I'm excited to share this one with everyone. Ossh!"

Black Fortune has been steadily building momentum for the arrival of *OsshLord*, a follow-up to his 2019 debut mixtape, [OsshRock Deluxe](#), which garnered attention from *The FADER*, *HYPEBEAST*, *Lyrical Lemonade*, *HipHopDX*, *Elevator Magazine* and more. Earlier this year, Black Fortune shared "[Nothing To Lose](#)" and "[Off Sh*t](#)" feat. Fivio Foreign as a preview of what's to come on the new project.
