ABOUT BREN JOY:

With overpowering vocal range, deft songwriting chops, piano virtuosity, and undeniable charisma, Bren Joy integrates pop universality into unpredictable R&B. Born and raised in Nashville, he introduced himself with the independent debut EP, *Twenties*, in 2019. Singles "Sweet" [feat. Landon Sears] and "Henny in the Hamptons" generated 5.5 million global streams. [Vulture](#) named the latter on its "Best New Songs List" and [The Tennessean](#) proclaimed him one of the "Nashville Artists To Watch 2020." Along the way, Bren's shared the stage with everyone from Jhené Aiko to Megan Thee Stallion. Managed by Big Loud/Maverick, booked globally by CAA, signed to Warner Records, and with a publishing deal at Warner Chappell, Bren presents a new paradigm for R&B and pop. He made his major label debut in 2020 with the single "Freezing" and is gearing up to release more new music soon.
