October 22, 2020 (Los Angeles, CA) – Fresh off the back of the success of his recent singles "[Bando Diaries](#)," "[Bando Diaries Remix](#)" (already racking up a combined 8.1M+ views) and "[Cool With Me](#)" ft. M1LLIONZ, **Dutchavelli** has announced one of the most highly anticipated mixtapes of 2020 from the U.K. artist titled *Dutch From The 5th*, set for release on November 6th. Pre-order it [HERE](#).

After what can only be described as a monumental year for the Netherlands-raised artist, on his new project, **Dutchavelli** delivers a 16-track mixtape filled with high octane, gritty, lyrical finesse that you can only find from a rapper of his caliber. Full tracklisting below.

"I've left no stone unturned and worked as hard as I possibly can to make sure I can deliver within the expectations I've set for myself. I'm from E5, Clapton, and this is my introduction to the game. I'm 'Dutch From The 5th.' That's the title of my book opening." – Dutchavelli

Bursting on to the scene and disrupting the game in the best way possible, it comes as no surprise that **Dutchavelli** has become one of the most recognized names in the U.K. music scene. **Dutch** continues to break the glass ceiling of what it means to be a new rapper on the scene, with every release proving just why his new mixtape is set to break new boundaries. Not one to be defined, **Dutch** wants the tape to serve as a taster of what's to be expected from him. *"I wanted to let them know that I'm not going to go too far down the road of just doing drill. It's my first project. People are getting to know me. The tape is to get the listeners excited and see what's coming next."*

ABOUT DUTCHAVELLI

Make no mistake – Dutchavelli is doing it for greatness. The East London rapper set a goal four years ago to be the best. A rapper’s rapper with true global appeal, a handsome side road hustler gone national, a man with a firm presence and a clear vision – Dutch has it all. And – in “Only If You Knew” and “Surely” – he already has two of the year’s biggest singles under his belt. Born in Birmingham, but raised in Rotterdam, Dutch spent his childhood between the Netherlands and the U.K. When he moved to East London at age 12, he had a generation’s worth of music to catch up on. Dutch released his debut video, “New Jack City,” in 2017 then served time for a March 2018 robbery and firearm charge. His first track since his release, “Only If You Knew,” charts the story of the past few years. The next track, “Surely,” doubled-down on the bars. Both tracks racked up millions of plays in a matter of weeks. With the U.K. hanging on for his next release, Dutch’s ambitions now reach far and wide. He’s a true business mogul too as he wants his label, 2Up2Down, to become a hot spot for young acts. Dutch is perhaps the most versatile, multi-faceted rap act to come from the U.K. in years. There’s been no slip-up, no selling out and no watering down of his experience for commercial woo-ing either.
