**April 16, 2021 (Los Angeles, CA)** – Multi-platinum sensation and pop-rap party-starter **Saweetie** continues her hot streak today with the release of her steamy *Pretty Summer Playlist: Season 1* EP on **ICY/Warner Records**. Each of the set’s 7 tracks feels like a party, welcoming a host of electric guests including L.A. rap innovator **Drakeo the Ruler** and rising Sacramento vocalist **Kendra Jae**. On every track, including “**Risky**” with Drakeo, **Saweetie’s** charisma and confidence are on full display, reminding us why she’s one of rap’s most exciting young superstars. Listen [HERE](#).

*Pretty Summer Playlist: Season 1* shows off several sounds and styles. There are rippling, minimal club anthems like “**Risky**,” on which she casually flexes and preaches the joys of living recklessly. There are lush, lusty tracks like “**Backseat**,” which finds **Saweetie** and **Lourdie** embracing the magnetism of desire. **Saweetie** also uses the EP as a chance to flex her taste, hopping on already-hot tracks like **Bbyafricka’s** “**Baby Mama Coochie**” and **Loui’s** infectious TikTok hit “**Talkin’ Bout**.” Throughout the EP, she weaves together winding bars and hilarious punchlines, demonstrating that she’s become not only

one of music's most engaging personalities, but a gifted stylist as well. There are few rappers working with as much range.

The video for “**Risky**” is as spicy as the song. **Saweetie** and Drakeo The Ruler get down and dirty in the visual directed by both Saweetie and FakeDell. Watch [HERE](#).

For **Saweetie**, ***Pretty Summer Playlist: Season 1*** is the latest entry in an extremely productive run. In January, she dropped the banging club cut “Best Friend” with Doja Cat, on which the duo traded bars celebrating each others’ success, beauty, and independence. *Billboard* called it “the girl power anthem of 2021,” and fans connected too. It’s garnered over 105 million streams on YouTube alone and hit #1 at radio. **Saweetie** followed that track in March with a UK remix featuring the beloved British MC Stefflon Don. Recently, **Saweetie** partnered with the Australian eyewear company Quay for their Spring collection. As part of the campaign launch, **Saweetie** and Quay are launching a scholarship program to give 10 students \$10,000 scholarships. Check out the new collection [HERE](#).

While “Best Friend” scores Zoom hangouts and socially distanced gatherings for lifelong pals waiting for the club to reopen, the [Cosmopolitan](#) cover star is preparing for the release of her debut album, *Pretty B\*tch Music*. With production from Danja, Lil John, Murda Beatz, and more, *Pretty B\*tch Music* is the soundtrack to **Saweetie**'s movement, which encourages all women to define their own “pretty.” She’s said before that her empowered definition of “b\*tch” is “boss, independent, tough, CEO, and hyphy.” *Pretty B\*tch Music* arrives this summer, and if ***Pretty Summer Playlist: Season 1*** is any indication, watch what **Saweetie** does next!
